SPRING 2013 REGISTRATION

Recruit the Best and Brightest
AT SOUTHERN UNIVERSITY and A&M COLLEGE

Greetings college relations officers, corporate recruiters, and career day supporters:

The Southern University Office of Career Services is gearing up for its Spring 2013 Career Exploration Day to be held, Wednesday, February 20, in the Southern University, Baton Rouge, Felton G. Clark Activity Center. We are excited about this year's activities and are looking forward to you sharing the wonderful career opportunities available with the University's corporate partners. We are also excited to showcase the University's most valuable assets - OUR STUDENTS.

The goals of this semester's Career Exploration Day activities are to:

- Make SU students and alumni aware of the career opportunities available to them,
- Offer workshops and seminars to help students prepare for full-time employment, and
- Increase the number of students obtaining cooperative employment, internships, and full-time employment

Other Career Exploration activities include:

The Youth Motivation Task Force (YMTF), which allows successful professionals from various backgrounds to interact with SU students and introduce them to private and public sector job experiences. Youth Motivation Task Force activities will take place February 6 - 7, 2013. To register for YMTF activities, complete the attached YMTF participation form.

The Business and Industry Cluster, which is a consortium of more than 40 local and national companies that have provided financial resources, equipment, human resources, and technical support to Southern University in an effort to grow and produce highly-qualified, job-ready students. Additional information on the Business and Industry cluster is attached.

The Interviewing Skills Workshop, which allows students to receive hands-on information on best interviewing techniques, resume writing and professional interview attire and etiquette. Students participating in the workshop must come prepared as if for an actual interview—dressed professionally and copies of resume in hand. If you or someone in your company would like to participate as an interviewer, please indicate on the Career Exploration Day Registration page how many representatives your company can provide. This event will take place on Tuesday, February 19 from 9 a.m. to 3 p.m.

The registration fee for the Spring 2013 Career Exploration Day is \$550 for a single booth and \$1,050 for a double booth. Registration forms are enclosed along with the Spring 2013 Activities agenda. All materials to be distributed during the career day must be shipped via Gulf Coast Event Services. See the enclosed forms for more information. *Please be aware that the SU Office of Career Services is not responsible for any packages not shipped through Gulf Coast Event Services.*

You are invited to visit us at our new location in 1100 T.H. Harris Hall.

Thank you for supporting SU Career Exploration Day and I look forward to seeing you in February.

Best Regards,

Tamara J. Montgomery

SOUTHERN UNIVERSITY YOUTH MOTIVATION TASK FORCE

YMTF CONCEPT

The program concept is quite simple, but effective. Informed, dedicated and successful professionals from every walk of life interact with students at historically black colleges and universities.

YMTF MISSION

- Introduce college students to the private and public sector job market
- Discuss possible solutions to problems the students might encounter in the work world
- Act as positive role models and mentors
- Inform students of skills they will need to succeed in the business world
- Share experiences on working in the job market
- Create positive attitudes toward the world of work and the University

YMTF FORMAT

The Youth Motivation Task Force program is a unique program in that it attracts alumni and other professionals. Teams of two to three persons spend time in a classroom setting and are asked to present a positive and professional image at all times regarding current work related situations.

YMTF IMPACT

The impact of YMTF is overwhelming. It creates:

- a bond between the consultants and the students
- an awareness in students of what they must do to succeed
